

Strong Loading Capacity Steel Stackable Storage Rack Metal Foldable Stacking Rack

Our Product Introduction

for more products please visit us on warehouse-rackings.com

Basic Information

Product Specification

- Model NO.: ST002
- Material: Steel
- Structure: Rack
- Type: Stack
- Mobility: Adjustable
- Height: 0-5m
- Weight: 1500kg
- Closed: Open
- Development: Conventional
- Serviceability: Common Use
- Color: Customized
- Lead Time: 25 Days
- Raw Material: Q235
- Surface Treatment: Powder Coating
- Transport Package: Safe

Product Description

Product Description

QiFei Stack Racking

Stack racking refers to a storage system where products are stacked vertically on racks or shelves.

1,It's a high-density storage method that maximizes vertical space utilization in a warehouse compared to single-level pallet or bin storage.

2,Products are stored in stacked arrangements, often two or more pallets or bins high, on sturdy metal or wooden racks.

3,Stack racking systems use forklifts or other material handling equipment to place and retrieve the stacked goods.

4,Requires careful planning and load calculations to ensure the racks can support the weight of the stacked goods.

5,Good for storing lightweight, durable items that can be safely stacked on top of each other.

6,Typically used in industries like retail, manufacturing, and distribution where high-volume storage is needed.

Brand name	QiFei	
Product details	Material	high-grade Q235 Cold Rolled Steel
	Color	customized
	Load capacity	customized
	Size for reference(mm)	L:1200/1500/2000 mm W:600 mm H:1200/1500/2000/3000mm
	Layers	adjusted
	Feature	corrosion protection,easy to assemble and dismantle

Payment terms by T/T

Special service OEM&ODM are welcomed,specialized one-stop service

MOQ 10 pcs (Supply ability:5000 pieces per month)

Function widely used,suitable for most warehouse storage and supermarket goods

Our advantage perfect after-sales service,offer product installation guide

Packing beam and upright in bubble film,shelf in export cartons, safety for shipment
